

PRODUCT

QUIXX POLISH & WAX

• **QUIXX POLISH CONCENTRATE**

QUIXX Polish is an innovative, high-tech paint care product complete with a rust prevention formula.

The 3 in 1 care systems cleans (1) and polishes (2).

The wax in the polish also ensures long lasting paint protection (3).

Minor scratches and flat spots are removed due to the high performance polishing compounds of this premium product.

QUIXX Polish unites the properties of a high performance polish with a top quality protection wax.

It truly refines surfaces! is suitable for all paint finishes, including metallic.

QUIXX POLISH properties

- Concentrated formula – economical and saving
- 3 in 1: cleans, polishes and protects in a single process
- All-inclusive Kit (Polish, Sponge and Cloth)
- Precise, economical dispensing
- Removes minor scratches (without adding micro-scratches)
- Suitable for all paint types and conditions
- contains wax with a long term paint and rust protection formula

• **QUIXX WAX CONCENTRATE**

QUIXX high performance wax offers a new level of high-tech paint protection, which includes a rust prevention formula. This premium product truly refines surfaces! This is achieved with minimum effort thanks to easy and fast application. It protects and seals paint for several weeks, all year round. QUIXX WAX is suitable for all paint finishes, including metallic.

QUIXX WAX properties

- Concentrated formula – economical and saving
- With rust protection formula
- Reflective high gloss
- Easy and fast usage
- Long-lasting protection for all weather conditions
- Precise, economical dispensing system
- Suitable for all paint types and conditions
- All-inclusive Kit (Polish, Sponge and Cloth)

• **CONCENTRATED FORMULA**

QUIXX POLISH and WAX are concentrates. Though less of the product is needed and less has to be polished off. They consume less space in storage and shelf and there is less weight to transport.

• **INNOVATIVE DISPENSER**

Both products are in handy bottles with innovative dispenser heads offering a high ease of use. This allows exact dosage to the spot. No content runs down the vehicle or is wasted due to overdosage.

TRADE

- **PERFECT TAKE-AWAY PRODUCT**
Attractive RRP; an outstanding product on the market.
